Incorporated in 2010, VSS today has a presence in Maharashtra, backed by over 5,000 trained security personnel team and a dynamic corporate infrastructure at all branch locations.

CONSULTING & INVESTIGATION

The VSS Consulting & Investigation division has been operating since 2010 and we currently have a team that are spread across various cities of the State. The service portfolio of this division includes pre-employment verification, fraud investigation, due diligence,

surveillance on wrongdoing, corporate misconduct and in protection and recovery of assets etc., We strive to focus on bringing value, drawing upon experience gained from a variety of former disciplines and professional backgrounds. VSS Consulting & investigation team provides seasoned professionals domestically and globally to achieve rapid response against suspected fraud.

CASH MANAGEMENT SERVICES

Over the last few years, VSS Cash Service Division has developed its business with a strong focus on Customer needs and designed to meet customer requirements. This service includes secured transfer of cash and valuables, ATM replenishment, Vaulting and

Processing Services, multi-point cash collection and Caretaker Services. Our aim is to provide solutions to the specific needs of each individual customer. VSS Cash Services team is responsible for identifying and enhancing value for customers by meeting International (Cash Transportation) business standards. VSS provide following services:

Armoured Car Services : Large retailers who collect a great deal of cash require pick up of huge cash via an armoured car company, which is one field of our specialisation.

Account Reconciliation Services : Banks have used this system to prevent cheques from being fraudulently cashed if they are not on the list.

EVENT MANAGEMENT

In VSS, event management involves studying the intricacies of the brand, identifying the target audience, events and conferences like product launches, press conferences, corporate meetings and concerts like, film premieres, commercial events, award ceremonies, etc. devising the event concept, planning logistics and coordinating the technical aspects before actually executing the modalities of the proposed event also come under VSS Event Management Services.

EVENT SECURITY

Regardless of its nature, size or location, a commercial event is a potential target for criminals and extremists. Security must be addressed early in the planning

process. Strict Facility Services have provided security for a variety of events, AGMs, major sporting events, product launches and corporate functions for many years. We are widely experienced in security management at events where disruption by either activists or disgruntled shareholders threatens the company's reputation or the safety of others attending the event.

Our team will first work closely with the organisers to conduct an event security risk assessment and provide advice on the measures needed to mitigate the risk of disruption. The risk assessment will consider sources of threat, the overall event profile and objectives. We also work closely with dignitary protection teams to measure the risks posed by the attendance of high-profile visitors

such as senior government officials. During the event itself, Strict Facility Services will provide on-the-ground security management and coordination to oversee the agreed security plan's implementation. In addition, Strict Facility Services will also provide specialist protective support packages for any individuals identified as high-risk or those with mandated additional security requirements. In the event of an incident, we will activate and direct contingency measures. Our global reach and detailed local knowledge gives us the ability to provide risk management solutions for complex, high-profile events anywhere in the world.

DETECTION DIVISION

This Division is headed by trained Professional Detectives who are

active members of various International Organisations. The specific requirement of the client is studied and identified in the first meeting and thereafter investigation commences in a planned time-bound manner.
